

NEW ACCESSORIES FOR GELATO DISPLAY CASES: Gelato stick carrier and single-portion accessories.

IFI presents two great new products: two accessories at unbeatable price easily adaptable to IFI's gelato display cases and which your customers are sure to appreciate.

GELATO STICK CARRIER:

Folded and welded stainless steel grille.
The accessory can be used in a standard 360x250 mm pan and together with chromed or neutral flavor markers.
Also for Tonda display cases.

ACCESSORIES FOR SINGLE PORTIONS:

Available in 2 sizes: 330x165 and 330x330 mm for 1 or 2 standard 360x165 pans respectively.

The accessories are 1 stainless steel pan with folded rim and a second folded Plexiglas pan with holes for holding single-portion cups (25 of the bigger cups or 14 of the smaller ones).

You will find the price list inside extranet on IFI's website.
