

Showroom IFI.

700 square metres for display, assembled furniture, gelato, cakes and pastries, and snack display case, as well as all the main models of seating solutions branded Metalmobil and Steelmobil: the showroom contains the very best of IFI's latest proposals, with aesthetic solutions available in different colours and stains.

The showroom has been recently renovated and extended, and divides up into:

- a Platinum area featuring all the products of the collection
- a 'Factotum' area containing the most important aesthetic proposals and IFI cabinets
- the Metalmobil and Steelmobil chairs and tables inserted both into ambiances and into display niches.

All long with 'museum' style information to accompany the visitor along the way.

Contact our sales staff or the company directly, and book a trip to the showroom. IFI designers, architects and sales team are at your disposal to help you and your customers choose the furnishing solution that best meets your requirements.
